Important: The Pension Update results in the commencement of a new pension – it is not a continuation of the existing pension. This may affect Centrelink income support recipients and Commonwealth Seniors Health Card holders as any income test grandfathering will be lost where the Pension Update occurs on or after 1 January 2015.

Asset description	Value (\$)	Units	Full holding

- For listed securities you must transfer the full holding or the number of units. You cannot select a dollar value.
- Term deposits must be transferred in full.
- Term deposit maturity instructions and dividend reinvestment plans will be reset to 'cash' for all assets transferred. Your adviser will need to update these instructions online.
- Where an in specie transfer of assets is used to commence a pension through the Pension Update facility, the assets are not received into the pension account until the day after they are transferred. Therefore, the value of these assets when the pension commences will generally be different to the transfer value due to market movements. This should be factored in when commencing or updating a pension to avoid exceeding the transfer balance cap.

3B. Deduction Notices

You must complete this section if you have made a personal contribution in the current or prior financial year and intend to claim or vary a deduction on the personal contribution. **If you do not complete this section, we will proceed with your withdrawal or rollover request.**

This will be taken to be a Deduction Notice in the Australian Taxation Office (ATO) approved form. **You cannot lodge or vary a Deduction Notice for contributions once a pension has commenced based in whole or part on the contributions and in certain other circumstances. Please speak to your adviser for further information.**

	For contributions made in the current financial year	For contributions made in the prior financial year

c. Varying an earlier notice: If you are varying an earlier Deduction Notice by reducing the amount you wish to claim please state the total deduction amount you wish to claim for the entire financial year.	\$	\$

* Please ensure that the cash minimum will be maintained in this account. The relevant cash minimums are as follows:
 Consolidator II - Engage: \$500
 Consolidator II - Elevate: \$1,000
 Consolidator/Manager/Manager II: \$1,000

4. Contributions

Contributions may be made via direct debit request or in-specie transfer. **For in-specie contributions, please include the additional required documents.**

Section 5 Australian financial institution details must be completed if electing to contribute via direct debit.

4B. Contribute via in-specie transfer

If you are making a one-off contribution via in-specie transfer, the consideration will be the closing market price as at the date the trustee has received all the completed documents to commence the transfer. Therefore, the contribution amount will generally be different to the amount you indicate on this form due to market movements. This should be factored in when contributing via in-specie transfer to avoid exceeding the contribution caps and the transfer balance cap.

Please note: the minimum contribution amount is \$500.

4C. Deduction Notices

You must complete this section if you will make a personal contribution and intend to claim or vary a deduction on the personal contribution mentioned in this section.

You cannot lodge or vary a Deduction Notice for contributions once a pension has commenced based in whole or part on the contributions and in certain other circumstances. Please speak to your adviser for further information.

This will be taken to be a Deduction Notice in the ATO approved form and cannot be varied once the Pension Update has been processed. Please speak to your adviser for further information.

For contribution(s) made in the financial year ending:

30 June 20

Amount of personal contributions covered by this Deduction Notice that I intend to claim as a tax deduction:

7. Declaration

- I understand that, in requesting this Pension Update, I am authorising the full commutation of my existing income stream and commencement of a new income stream, based on the full balance of the account specified in Section 1 combined with amounts specified in Sections 2 to 4 (net of any contributions tax payable).
- I declare that the information contained in this form is a true and accurate representation of my circumstances.
- If submitting contributions I am eligible to contribute based on the eligibility criteria outlined in the Product Disclosure Statement (PDS) applicable to my account, or advice received from my adviser. An electronic copy of the PDS is available at **macquarie.com.au/yourwrap**
- I give the Trustee consent to perform the rollover(s) detailed in Sections 2 and 3, as appropriate.

If you have elected to use the direct debit method:

- I/We wish to participate in the Wrap Superannuation (which consists of Macquarie Super, Macquarie Super Manager II, Macquarie Super Consolidator, Macquarie Super Consolidator II, Macquarie Super Accumulator and Premium Portfolio Service Super) direct debit and I/we agree to be bound by the service agreement terms and conditions. I/We request to debit the nominated account with any amount which Macquarie Investment Management Limited ABN 66 002 867 003 AFSL 237 492 RSEL L0001281 (User ID 013402) may debit or charge me/us in connection with my/their Superannuation direct debit, through BECS (Bulk Electronic Clearing System).
- I/We have completed all relevant sections of this form. I/We understand and acknowledge that:
 1. My/Our nominated financial institution may in its absolute discretion decide the order of priority of payment by it of any monies pursuant to this request or any authority or mandate.
 2. The financial institution may, in its absolute discretion, at any time before the debit, by notice in writing to me/us, terminate this request.
 3. If at any time I/we feel that a direct debit against my nominated account is inappropriate or wrong it is my/our responsibility to notify Macquarie as soon as possible.
 4. Direct debiting through BECS is not available on all accounts. I/We can check my account details against a recent statement or check with the financial institution as to whether I/we can request a direct debit from my/our account.
 5. It is my/our responsibility to ensure that there is sufficient cleared money in my/our nominated account to honour the direct debit request (DDR) for my/our direct debit. Macquarie will also charge the cost of dishonoured direct debits and any loss in the price of the units I/we was/were due to buy against my/our account.
 6. Macquarie may need to pass on details of my/our direct debit request to their sponsor bank in BECS to assist with the checking of any incorrect or wrongful debits to my/our nominated account.

- **8. Macquarie may not process the request if the amount on the ATO form does not match the amount specified in section 4D. If the amounts differ, Macquarie will notify me/us and may request me/us to submit a new request.**

If you have completed any of the Deduction Notice sections and you have not previously lodged a notice with the Fund for these contributions

I confirm:

- I am lodging this/these notice/s before both of the following dates:
 - the day that I lodged my income tax return for the year stated for the respective contribution(s), and
 - the end of the income year after the year stated for the respective contribution(s)
- at the time of completing this notice:
 - I intend to claim the personal contributions stated in the Deduction Notice (in Sections 3 and/or 4) above as a tax deduction
 - the Trustee has not begun to pay a pension based in whole or part on these contributions
 - I have not included these contributions in an earlier notice
 - for any contributions listed in Section 3, the Fund still holds these contributions, and
- I understand that I cannot vary this notice after the Pension Update has occurred, and
- the information given on this form is correct and complete.

If you have completed the Deduction Notice Section in 3B and have already lodged a notice with the Fund for these contributions and wish to reduce the amount stated in that notice.

I confirm:

- I intend to claim the personal contributions stated in the Deduction Notice Section in 3B above as a tax deduction.
- I wish to vary my previous notice for these contributions by reducing the amount I advised in my previous notice. I confirm that either:
 - I have not yet lodged my income tax return for the year stated for the contribution and this variation notice is being lodged on or before 30 June of the following financial year, or
 - the ATO has disallowed my claim for a deduction for the relevant year stated for the respective contribution and this notice reduces the amount stated in my previous notice by the amount that has been disallowed.

This form must be signed by all account holders of the account nominated on this form and for the account being debited to ensure all parties to the account being debited provide their authorisation.

Please note that by meeting the condition of release to make a rollover to pension, this will prompt preservation updates for all of your super and pension accounts.

8. Checklist

BEFORE you submit this form

For in-specie transfers in, please include the necessary in-specie transfer documents.

Did you complete Section 2?

Supply us with the **Macquarie Super Rollover Authority** form(s) with the sending institution(s) quoted.

Before you rollover amounts from the other fund(s), ensure:

a valid Deduction Notice for any personal contributions you made is provided to the fund (if applicable).

you submit any spouse splitting request for concessional contributions made in the previous financial year (if applicable).

Do you need to supply a Deduction Notice?

Ensure, if required, that a Deduction Notice is provided for any personal contributions made to your Macquarie Superannuation account(s) which you wish to claim a tax deduction. This is done by completing the relevant Deduction Notice in Section 3B and/or 4C.

Does your account contain UK funds?

If 'yes', please attach the **Application for a UK transfer amount form**.

Please note that, since we are unable to accept contributions directly to a pension account, we will temporarily open a superannuation account to process the contribution and transfer the balance to the pension account when the new pension is ready to recommence.

Are you completing an in-specie transfer of assets?

Where a contribution or rollover is requested, the Superannuation Asset Transfer Form (SATF) is required to be completed.

For in-specie transfers from an external account, a Broker Transfer Form or Issuer Transfer Form is required to be completed.

For in-specie transfers from a Macquarie account, an Internal In-specie Transfer Form is required to be completed.

AFTER you submit this form

Commencement of the Pension Update

If applicable, a **pro rata minimum pension payment** will be made to you. This represents the minimum pension payable on the existing income stream for the financial year up to the Pension Update date.

Along with the additional rollovers/contributions, your cash account will be credited with any accrued interest to date.

We will commence the Pension Update when the last rollover/contribution to be added is processed and will generally complete it three (3) business days after the last rollover/contribution is processed depending on the time of the month.

During the Pension Update, neither pension payments nor other amendments to your pension details may occur.

Please note: There may be a delay in completion of the Pension Update if trades are unsettled during the processing of the update. All trades must settle prior to the completion of update.

Commencement of the Pension Update

A Pension Update will, within the same account, end (commute) the existing income stream and commence a new income stream.

So, upon completion of the Pension Update:

- you will be mailed a pack containing a **Pension Review Statement and Advice to Centrelink/Veterans Affairs** (detailing your new income stream), and - if applicable - **a PAYG Payment Summary** (detailing any PAYG tax withheld for the prior income stream).
- pension details online will be updated to reflect the details of your new income stream.
