

# Data sharing permissions for Macquarie Connect

Complete this form to authorise individual(s) in your business to enter a data sharing agreement with your business management software(s).

The data sharing agreement enables the authorised individual to grant consent to your business management software(s) to securely access and import daily account and transaction data from your bank account.

Please return this form by email to **business@macquarie.com**.

Your request will be processed within five business days.

## 1. Entity Details

---

Provide the names of the entities whose bank account information may be shared and, if known, the software provider to be used.

Only include multiple entities if the individual(s) listed in section 3 have authority to sign for all of them.
