Is the entity a tax resident of a country other than Australia?

No ► **go to section 3 to complete the form**

Yes, please provide the entities' country of tax residence and tax identification number (TIN) or equivalent below. If the entity is a tax resident of more than one other country, please list all relevant countries below.

A TIN is the number assigned by each country for the purposes of administering tax laws. This is the equivalent of a Tax File Number in Australia or an Employer Identification Number in the US. If a TIN is not provided, please list one of the three reasons specified (A, B or C) for not providing a TIN.

1. A Beneficial owner is any individual who ultimately own 25% or more of the company's issued share capital (through direct or indirect shareholdings).
2. A Controlling Person is any individual who directly or indirectly exercises control over the entity. For a company, this includes any beneficial owners controlling more than 25% of the shares in the company. For a Trust, this includes Trustees, Settlers or Beneficiaries. For a partnership this includes any partners.

PLEASE NOTE: Effective 1 January 2021, a US TIN must be provided if the entity is a US Specified Person. This is a **mandatory requirement** and a TIN exemption reason will no longer be accepted. The account cannot be opened without a US TIN.
