\* We offer several automated functions which rely on funds in the investor's portfolio remaining liquid. It is important to review impacted clients' accounts to ensure liquidity is enough to fund any automated transactions. Please note, where funds have been hard-closed, they have been removed from all future automatic plans (both top-up and sell-down plans) that are currently in place for your clients. Please review your clients' accounts to determine whether any of these funds should be sold down manually and removed/replaced from their contribution and sell-down profiles.
