Corporate Actions and Class Actions

Important information on listed securities (including exchange traded funds) that can be held on Wrap, and any updates on recent class actions.

Corporate actions

Where a corporate action (provided if it is not compulsory) will result in an asset that we cannot administer in the service, we may limit or not offer the ability to take up the election. If there is a compulsory corporate action that results in an asset that we cannot administer, we reserve the right to pass on additional charges and costs incurred in the process of acquiring, managing, and disposing of the asset. Assets that we cannot administer in the service include but are not limited to:

- 1. Unlisted shares
- 2. Foreign currency
- 3. Shares not on an approved exchange
- 4. Physical assets and commodities.

Physical settlement of underlying assets

Conversion or settlement into the physical underlying assets of an investment you hold cannot be administered on the platform. Such investments include but are not limited to:

- 1. CHESS Depository Interests
- 2. Warrants of international equities
- 3. Exchange Traded Funds
- 4. Exchange Traded Commodities
- 5. Exchange Traded Certificates.

Dividend Bonus Share Plans (BSP)

BSP (also known as dividend share substitution plans) are not administered on the platform.

Please refer to CAPS Online via corporate actions > corporate actions calendar for other options available to your clients for the corporate actions shown below, and to be kept up to date with the details around other recent corporate actions.

Please ensure that instructions to settle IPO trades are provided to us no later than 3 business days before settlement date and that accounts are funded at this point.
