TYPE OF UPDATE	FUND NAME / APIR CODE	COMMUNICATION
FUND CLOSURES/TERMINATIONS	BlackRock Appreciation Strategy Fund BLK7698AU	On 14 February 2024, an update on Fund Termination was issued.
We offer several automated functions which rely on funds in the investor's portfolio remaining liquid. It is important to review impacted clients' accounts to ensure liquidity is enough to fund any automated transactions. Please note, where funds have been hard-closed, temporarily closed or have been removed as an approved product from the investment menu, all automatic plans (both top-up and sell-down plans) that are currently in place that include those funds have ceased for your clients. Automatic plans will not recommence if a fund is reopened. Please review your clients' accounts to determine whether replacement automatic plans need to be setup or any of these funds should be sold down manually and removed/replaced from their contribution and sell-down profiles.
