PLEASE READ THE FOLLOWING POINTS PRIOR TO SIGNING THIS FORM

- Cheques of nominal amounts**
If the foreign currency cheque you wish to deposit is of a nominal amount, for example less than the equivalent of AUD100.00, please contact Macquarie for further information on how best to deposit this.
- Charges and fees**
Any charges associated with the conversion and clearance of this cheque may be debited from the conversion amount and/or your account. For information on the current fee charged by Macquarie for this service, please refer to the current offer document or contact Macquarie.
- Timeframe for deposit**
The approximate clearance time is eight weeks and is determined by the overseas bank, however, delays may occur beyond this eight week period. We are therefore, unable to advise when the converted amount (if applicable) will be credited to your account.
- Final conversion amount**
As conversion rates vary frequently any rate quoted is indicative only and does not reflect what the final conversion amount will be.
- Payment**
The cheque will be lodged with Macquarie Banking Services for processing, where it is presented as a bill for collection. This means it is sent to the bank where the cheque originated so that it can be physically presented. Once the cheque has been honoured, the funds are forwarded back to Macquarie and deposited into your account. Please note that payment of this cheque may not be honoured by the bank on which it is drawn. If the payment is stopped and/or dishonoured you may incur additional charges.
