

Withdrawal form - Electronic transfer

Use this form to withdraw funds from your loan or offset account.

Please scan and email the completed form to clientservices@mortgageinfo.com.au

1. Your account details

Account number

Account Name

2. Electronic transfer

The transfer will be processed overnight unless same day transfer is requested as below.

Same day*: Funds will be available in the receiving account on the same business day.

**Fees may apply refer to your loan offer for full list of fees and charges*

Transfer funds to the following details:

It's important to ensure the BSB and account number are correct. The account name is not used for processing payments and we do not match the account name against the account number you provide. Entering incorrect details may mean the wrong account is credited and it may not be possible to recover the funds.

BSB

Account number

Account name

Amount

Reference (if applicable)

The purpose for my redraw is

3. Signature

► Please note that the withdrawal request must be received prior to the following times to be processed that day, and requests received after this time will be processed on the following business day:

- Overnight withdrawal requests must be received by 3:00 pm AEST.

- Same day withdrawal requests must be received by 2:30pm AEST.

- By accepting below you acknowledge and accept all associated fees related to the transfer.
- We may call you to confirm your request before it can proceed. Please have your details ready to avoid delays.
- Digital / electronic signatures are not acceptable.
